

Privacy and Security

At Artizinda we do our best to make sure that your privacy is secure. We also use more secure third-party companies specializing in financial matters to process our payments most commonly used is PayPal and Stripe, they process with end-to-end encryption of your credit card information and nothing is saved in our end. We take measures to ensure a high level of security for your online purchases. Through Our partners' payment terminals, we utilize 128-bit secure encryption software (SSL) checkout process. This software encrypts all your personal and financial information on the internet. If you prefer to order by phone, please call us:

Privacy Policy

We do collect information from you when you register on our site, place an order, subscribe to our newsletter, or fill out a form. When ordering or registering on our website, as appropriate, you may be asked to enter your name, mailing address, e-mail address, phone number we take your privacy very seriously and this information will never be shared.

How the information gathered is used?

The information we collect from you may be used in one of the following ways:

- To process transactions

Your information, whether public or private, will not be sold, exchanged, transferred, or given to any other company for any reason other than for the express purpose of delivering the purchased product or service requested.

- To send periodic e-mails

The e-mail address you provide for order processing may be used to send you information and updates pertaining to your order, updates, promotions, related product information, etc. We do not send frequent emails, but if at any time you would like to unsubscribe from receiving future e-mails, we include detailed unsubscribe instructions at the bottom of each e-mail.

How do we protect your information?

We implement security measures that meet standards to protect the safety of your personal information when you place an order or submit your personal information on our website. This is also implemented by our European Service provider Webador.

Information to outside parties

We do not sell, trade, or otherwise transfer your personally identifiable information to outside parties. However, this does not include trusted third parties who assist us in operating our website, conducting our business, or providing service to our customers, so long as those parties agree to keep this information confidential. We may also release your information when we believe release is appropriate to comply with the law, enforce our site policies, or

protect the rights, property, or safety of ourselves or others. Non-personally identifiable visitor information may be provided to other parties for marketing, advertising, or other uses.

How are cookies used?

Cookies are small files that a site or its service provider transfers to your computer's hard drive through your web browser only if you accept that enables the site's systems to recognize your browser and retain certain information. We use cookies to understand and save your preferences during the purchasing period or future visits and this helps us to compile data about the site traffic and site interaction so we may better offer site experiences and tools in the future. We also contract with third-party service providers to assist us in better serving our customers.
